## GENERAL INFORMATION

Cinnaction® controls insect, fungi and bacterial pathogens and is safe on all crops, ornamental plants and turf. Cinnaction contains cinnamon oil and directly suffocates and destroys the cell membranes of pests. Pests are not likely to develop resistance to Cinnaction due to the mode of action, making it suitable for use as part of an integrated pesticide resistance management program. Cinnaction has no re-entry or preharvest intervals and can be applied the day of harvest.

## DIRECTIONS FOR USE

Use Cinnaction to control pests any time during the season. Apply Cinnaction to the crop foliage every 7 to 10 days as necessary repeating applications to maintain the desired level of control. Apply Cinnaction in a minimum of 0.25% v/v concentration in a sufficient volume to ensure uniform and complete coverage of the treated area. Cinnaction is tank mix compatible with a range of dormant oils, fertilizers and other plant protectants. Cinnaction is safe for application in the field, greenhouse and interior spaces wherever plants are grown.

CROPS	TARGET	RATE
All crops including but not limited to fruits, vegetables, turf and ornamentals, and lawn and garden plants	Chewing, sucking and piercing insects and diseases including but not limited to mite, white fly, powdery mildew, <i>Pseudomonas</i> spp., and other bacterial species	32-64 fl. oz. per 100 gallons of water in a volume to provide uniform coverage of the treated area

## STORAGE AND DISPOSAL

Do not contaminate ponds, waterways, ditches and food or feed by storage or disposal. Store in original container in a well-ventilated place away from children and pets. Dispose of contents/container in accordance with local/regional/national/international regulations.

## NOTICE OF WARRANTY

**CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES:** To be read prior to using this product. The directions should be followed carefully together with good application practices. Failure to do so may cause injury to crops, animals, man or the environment. Extraordinary or unusual weather conditions may affect product performance and/or crop injury which are beyond the control of Oro Agri, Inc. (the "Company") or seller. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the Directions For Use. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Company's election, ONE of the following: 1. Refund of the purchase price paid by buyer or user for product bought. 2. Replacement of the product used. To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The company/seller offer this product and the buyer/user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
