SHRAPNEL

MYRIAD TECHNOLOGY APE/NPE FREE

SHRAPNEL® is an adjuvant for use with pesticides and nutrients. The non-ionic chemistry in SHRAPNEL enhances spreading and wetting properties of the spray solution and assists in overcoming water repellency of the leaf surface. SHRAPNEL can be used with products requiring an adjuvant in the agricultural, turf, ornamental, forestry, industrial vegetation management, non-cropland and other appropriate applications.

FEATURES & BENEFITS

- SHRAPNEL® provides growers an excellent value on an effective spreader and wetting agent.

ADDED VALUE

- Safe for use on multiple crops
- Biodegradable Ingredients
- Patented Technology and Formulation
- 100% USA-sourced ingredients and manufactured in the USA
