

NutraSulf

Neutral, low salt, biologically
active sulfur source

NutraSulf

Nutra-Sulf is a specialized sulfur-based nutrient solution designed to prevent or correct sulfur deficiencies in crops. Proper nutrient management with Nutra-Sulf helps maximize crop quality and yields. Formulated from sulfone sulfur, it is a neutral, low salt, biologically active soft sulfur source which has high compatibility with most other agricultural products.

FEATURES & BENEFITS

Nutra-Sulf contains 7.25% sulfur derived from dimethyl sulfone.

- Sulfur (S) 7.25%

MODE OF ACTION

- Ensures quick green-up and uptake of nutrition.
- Vital for protein, amino acid and enzyme production.
- Critical role in photosynthesis.
- Aids in plant disease resistance.

ADDED VALUE

- Unique sulfur formulation.
- Highly compatible with most tank-mix partners.
- Easy to handle.
- Penetrates and moves rapidly in plants.
